

CALTEX STARCASH TERMS AND CONDITIONS

Updated on 31 August 2011

These terms and conditions ("Conditions") apply to any person ("Customer") who acquires, holds or uses the Caltex StarCash card ("Card") issued by Chevron Singapore Pte. Ltd. ("Chevron").

1. Any use of a Card by a Customer shall be deemed to be acceptance of these Conditions.
2. Each Card shall have printed on its face a card number. A Card cannot be used after its expiry date. There will be no revalidation of a Card once expired and any remaining balance will not be refunded. The available Card balance and applicable expiry date for each Card can be verified by presenting the Card at any Caltex service stations in Singapore ("Participating Caltex service stations").
3. The Card can only be used for fuel purchases at Participating Caltex service stations but Chevron shall not in any way be bound to ensure the availability or provision of fuel or any other products or services or be liable for any non-availability or non-provision thereof. Fuel purchases paid with the Card shall not be entitled to any site discount or other discount programs. Such discounts shall apply only to the outstanding amount payable, if any, in excess of the stored value amount in the Card. The Card cannot be used for Star Mart or other store purchases at Caltex service stations.
4. The Customer will be issued and/or be required to sign a Card transaction receipt for each purchase using the Card and the Customer shall be solely responsible for the accuracy of all details printed thereon. The Customer shall ensure that each Card transaction receipt accurately reflects any and all purchases. In the absence of manifest error, each Card transaction receipt (or if no Card transaction receipt is issued, the relevant computerized record of the transaction entry) shall be deemed as conclusive and binding upon the Customer. The Customer is responsible for keeping a record of the Card number and for safe retention of all Card transaction receipts.
5. If the monetary value of a Customer's purchase exceeds the remaining Card value, the Customer shall pay Chevron the amount of the excess.
6. No Thanks! loyalty points will be awarded in respect of any purchase of a Card. Thanks! loyalty points may be awarded for qualifying fuel purchases if a valid Thanks! card is presented at the point of purchase, subject to the Caltex Thanks! Cardholder Terms and Conditions.
7. Each Card remains the property of Chevron and must be returned upon request. Chevron reserves the right to confiscate or refuse to honour any Card which it suspects is a counterfeit or has been tampered with. Cards are not redeemable for cash or subject to cash out facilities.
8. The Customer shall be responsible for and liable to Chevron for any use of the Card, including any unauthorized use thereof. The Customer shall use best efforts to keep secure and prevent the loss, theft, damage or mutilation of the Card and shall also comply with all applicable laws, rules and regulations.
